New York, Mar. 28.—On a charge that his connection with the contribution of \$48,792.50 from the funds of the New York Life company to Cornelius N. Bliss, treasurer of the republican national committee in the campaign of 1904 constituted grand larceny in the first degree, George W. Perkins, member of the firm of J. P. Morgan & Co., and until recently first vice president of the New York Life company, was arrested today on a warrant issued by Magistrate Moss. When a detective went to serve the warrant upon Mr. Perkins he found that a writ of habeas corpus had already been obtained from Justice Greenbaum of the state supreme court, and the matter was immediately taken out of the magistrate's hands. Mr. Perkins appeared before Justice Greenbaum, and at the request of his counsel, the hearing in the case was adjourned until Friday. Mr. Perkins was paroled in the custody of his personal attorney, Lewis A. DeLafayette. The warrant for Mr. Perkins' arrest was applied for yesterday by District Attorney Jerome. Magistrate Moss would not act, however, until affidavits were filed in the case. These were presented to him today. They were signed by Darwin P. Kingsley, vice president of the New York Life; Edmund D. Randolph, treasurer of the company; and Thomas A. Buckner, also a vice president. Mr. Perkins' counsel admitted to Justice Greenbaum that Mr. Perkins had advanced the sum named to Mr. Bliss upon the request of the late John A. McCall, president of the New York Life Insurance company, and was afterward reimbursed through the action of the company's finance committee. It was contended that Mr. McCall had executive authority to order the payment and that if any crime was committed it was participated in by every member of the finance committee present when the matter was acted upon.

Despite the action of Mr. Jerome in applying for a warrant for Mr. Perkins and thus taking the matter to the higher courts of the state, Judge O'Sullivan, in the court of special sessions today again addressed the grand jury which is considering life insurance matters and instructed them that it was their duty to continue the inquiry to the end. He told the grand jurors it was their right to demand that the district attorney subpoena witnesses to be examined before them in any matter they may have under consideration.

Robert A. Granniss and Walter R. Gillette, as vice presidents and trustees, and Elbridge T. Gerry, as trustee of the Mutual Life Insurance company, today tendered their resignations at a meeting of the board of trustees of that company. They were accepted. A report of the Finance Investigation committee was received and ordered printed, but no other action was taken upon it.

The affidavits on which Magistrate Moss acted in issuing the warrant for Mr. Perkins were forwarded to the supreme court tonight in a writ of certiorari. The statement given to by Vice President Kingsley some of the details of the New York Life finance committee in December, 1904, when President McCall appeared and stated that Mr. Perkins had advanced certain sums of money to Cornelius N. Bliss, treasurer of the republican national committee pursuant to Mr. McCall's agreement to contribute \$50,000 for use in the presidential campaign of 1904.

NICHOLS DENIES;
ANDREWS COMINGSecretary Expected to Give Valuable
Testimony—May Not Be Prosecuted.

Special to the Morning Journal.
Pittsburg, Mar. 28.—Forrest Nichols, private secretary to William M. Andrews, who is under indictment in connection with the Enterprise bank investigation, gave out a brief interview here today in which he denied all knowledge of participating in any illegal action when he cashed the checks amounting to more than \$4,000 and drawing on the Enterprise bank in favor of Andrews. The impression

is growing here that Nichols will not be prosecuted on the charge but that his testimony is wanted in the investigation which is still in progress. Mr. Andrews, who is now delegate in congress from New Mexico, is expected here tomorrow. The home of the late T. Lee Clark, whose suicide disclosed the tangle in the bank's affairs, has been sold to apply on the claims against Clark's estate held by the bank.

SALT LAKE TO
BE TIED UP
TWO WEEKSHUNDREDS OF MILES OF
TRACKS ARE WASHED AWAY
Wyoming and Iowa Also Suffering
From Most Disastrous Floods
for Many Years.

Los Angeles, Cal., Mar. 28.—It is given out today from the office of General Manager Wells of the Salt Lake road that the washouts between Caliente and Las Vegas are so serious that the roadbed cannot be repaired in short of two weeks to admit the passage of through trains. The Southern Pacific also reports further trouble today. Another washout has occurred somewhere in the San Joaquin valley and the Owl train which left here last night, is held there and it is doubtful if it will continue north today.

The situation on the coast line is also far from satisfactory, although trains are moving slowly. Cedar River does thousands of dollars' damage in Iowa. Des Moines, Ia., Mar. 28.—Floods are causing thousands of dollars' worth of damage all over Iowa, being largely due to the unprecedented rains of the past few days. The situation is most serious at Waterloo, where the Cedar river has overflowed its banks, causing losses estimated at from \$50,000 to \$100,000.

Scores of families were rescued from their homes in boats today. Serious washouts have occurred on the Rock Island railroad track, the Illinois Central on the Albert Lea branch, north of Cedar Falls and the Waterloo and Cedar Falls branch. Over 125 families have been driven from their homes in Cedar Falls and the city is in darkness, owing to the submerging of the electric light plant. The water has rapidly cut the many families had no opportunity to save anything.

In Clayton county the Turkey river has overflowed its banks and the waters of Elkport and Osterdock are flooded. TONS OF EARTH BLOCK
UP TUNNEL NEAR TEHACHAPI
Bakersfield, Cal., Mar. 28.—Tons of dirt and rock were piled up at the east mouth of tunnel 17, three miles this side of Tehachapi last evening by a landslide and 160 men are at work attempting to clear the road.

Hundreds of Miles Gone.
Salt Lake, Mar. 28.—The Tribune says today that through service on the Clark road will not be resumed before May 15th. A hundred miles of track was washed out by late floods. Record sections from both ends has been started.

WYOMING HAS WORST
FLOODS FOR MANY YEARS
Denver, Wyo., Mar. 28.—Wyoming is experiencing the worst floods in recent years, according to dispatches from Cheyenne and other points received here tonight. The Platte river from the Colorado to the Nebraska line, a distance of 500 miles, is running over its banks and flooding the adjacent country. Nearly all of the streams in the state are in flood. The floods are due to melting snows to ranch and other property and drowning of livestock are being reported. The railroads are having difficulty in traversing the flooded territory. In the eastern portion of Colorado snow and rain fell tonight.

Duke Secures Divorce.
New York, Mar. 28.—Brodie L. Duke, relative of the president of the American Tobacco company, was today granted a divorce from his wife, Alice Webb Duke, who was married in this city, in December, 1904. Duke's marriage to Alice Webb was followed by a series of sensational events in which an unsuccessful effort was made by relatives of Duke to have him placed in an insane asylum.

Doane Confirmed.
Washington, Mar. 28.—The senate in executive session today confirmed the following nominations:
Fletcher M. Doane, associate justice of the supreme court of Arizona.

HILL GRADUALLY BUYING

Berlin, Mar. 28.—The village of Muelheim, near Coblenz, is threatened with destruction by a hill which has been gradually slipping into the valley for several days. Up to this time 150 houses have been damaged and 300 persons rendered homeless.

Fireman Davis Badly Hurt, Passenger
Train Damaged and Six Freight
Cars Pulverized.

Special to the Morning Journal.
Las Vegas, N. M., Mar. 28.—Santa Fe passenger train No. 10 bound from El Paso to Chicago, which left Albuquerque this morning at 7:30 o'clock, was wrecked at noon today at Ribera, thirty miles south of this city.

Fireman George Davis was badly injured in the head, but no one else was seriously hurt. The passenger train was running along at a lively clip when it dashed into a freight train which had stopped for repairs and which had put out no flag. Six cars of the freight train were red-hot from the fire, and the engine of the passenger train was badly damaged. Traffic was delayed for two hours.

Improvement in Forecasts.
New York, Mar. 28.—Willis L. Moore, chief of the weather bureau at Washington, announced last night at a dinner of the Maritime association, that the weather bureau would in a few months probably be issuing forecasts for a whole month. He said he had been working on the idea some time and the details are not yet complete.

MRS. LONGWORTH NOW
OWNS AN AUTOMOBILE
This Luxury Denied to President's
Daughter Before Marriage.
Washington, Mar. 28.—Mrs. Nicholas Longworth is the proud possessor of an electric carriage. It is a runabout built for two and the owner derives great delight in operating the machine herself.

There is a question as to whether the runabout is a belated wedding present or whether it is an individual purchase since the president's eldest daughter became Mrs. Longworth. It is well known that the president has never expended any enthusiasm over automobiles or electric carriages. On the contrary he dislikes them and has hesitated about giving his personal consent to any of his children owning one.

DECLARES HE HAS RIGHT
TO CARRY A WEAPON
But Chinese Inspector at San Marcial
Does Not Care to Discuss Arrest.
Special to the Morning Journal.

San Marcial, N. M., Mar. 28.—Chas. V. Mallett, who was arrested and taken to Socorro yesterday for carrying a concealed weapon, returned to San Marcial today. Asked as to the grounds for his arrest, the Mallett, who is Chinese inspector here, declined to discuss the merits of the case.

"In so much as my arrest for carrying a deadly weapon arose out of my official duties," said Mallett, "and as the warrant for my arrest was sworn out by the district attorney of this county, I am of the opinion that I should not talk of the facts of the case for publication, or make statements which would create a controversy, further than to say that I bear an arm under authority of the federal government and that my arrest was unwarranted."

Marshal Shoots Two Men.
Trinidad, Colo., Mar. 28.—A warrant has been sworn out for the arrest of Marshall Davis, of Aguilar, on a charge of murder. Davis yesterday shot and killed Sam Vigil and Andres Martinez in a bloody fight with a crowd of Mexicans during a ranchman's dance. He was badly cut up with knives. He alleges that the shooting was done entirely in self defense. The father of Vigil was also badly wounded by the marshal. The warrant is issued on complaint of Vigil's relatives.

Fire at Raton.
Special to the Morning Journal.
Raton, N. M., Mar. 28.—Fire today destroyed a one-story frame building occupied as a boot and shoe shop and in the rear as a residence, on North Second street. For a while the flames threatened the whole Rohr block, but were extinguished before the loss amounted to more than \$2,000.

Man Who Forced Her Into Hack.
Taken Home to Recuperate.

Special to the Morning Journal.
Las Vegas, N. M., Mar. 28.—Rev. John L. Brandt and his daughter, Miss Virginia, who was detained here Monday while on her way to the Pacific coast, and while temporarily deranged left for St. Louis this morning. At some town near St. Louis they will be joined by Mrs. Brandt and will go to Indianapolis where they will keep the young lady in perfect quiet until she has fully recovered from the effects of the blow and drugs and the terrible fright which she has suffered in her strange experience in the heart of the business district of St. Louis last Saturday morning.

Miss Brandt was weak and suffering when she left today but her mind was clear and recollection of the happenings of her experience in St. Louis and of her subsequent journey were rapidly coming back to her.

The doctors pronounce the young lady's mental condition due entirely to the blow and the drugging and are positive she will recover rapidly under proper conditions.

Miss Brandt has been able to describe the caddy and also the man who forced her into the cab at the door of the Missouri-Lincoln Trust company as she came out of the bank with the money of which she was robbed.

ST. LOUIS DETECTIVE
DOESN'T BELIEVE STORY
Special to the Morning Journal.
St. Louis, Mo., Mar. 28.—Chief of Detectives William Desmond of this city does not credit the story of the kidnapping of Miss Virginia Brandt before the doors of the Missouri-Lincoln Trust company last Saturday, a version of which has been given to this city from Las Vegas, N. M., where the young lady was detained.

There is a very unusual case of a young woman whose character cannot be questioned slugged and drugged as she stepped from the door of a prominent bank, thrown into a cab and carried away, when she was taken to St. Louis. The young lady does not know what she has done since, and does not know why she was drugged, or why she thought it necessary to get away from St. Louis.

Moors are Obstructing.
Algiers, Spain, Mar. 28.—The delegates to the conference on Moroccan reforms spent the day in private discussions of the remaining details of the proposed compact, on which virtually all the delegates are in preparation for tomorrow's plenary sitting.

The Moors are displaying a spirit of obstruction, protesting against the decision of the conference, and are concerned in case of a strike, will have a prolonged strike takes place, have hunger, and we may wear poorer clothes. We may endure greater hardships, but the miners are just as law abiding and just as patriotic as are the gentlemen on your side."

Desire for Peace Significant.
London, Mar. 28.—In an editorial article on the satisfactory outcome of the Algerian conference, the Daily Telegraph today comments upon the almost passionate desire for peace which has been revealed as the European courts and chancelleries, and also upon the significant fact that, though France and Germany have had a sharp diplomatic conflict, they have shown no disposition deliberately to pick a quarrel.

Shoots His Rival.
Dallas, Tex., Mar. 28.—William T. Walker waylaid Grover Record and Walker Smith last night as they were returning from a skating rink, shot both and then killed himself. The cause of the shooting, which was the cause, although the two men had previously been in friendly rivalry.

North Platte on a Tear.
Casper, Wyo., Mar. 28.—The North Platte is rising at an alarming rate. It is reported here the great diversion dam at Alvova, erected by the reclamation service as a temporary structure to divert the water while the Pathfinder dam was built has been washed away and will seriously interrupt the completion of the government enterprise.

Naval Movements.
Washington, Mar. 28.—The navy department is informed that Rear Admiral Bradford, commanding the third squadron of the Atlantic fleet, has transferred his flag from the cruiser Olympia to the cruiser Minneapolis. Both vessels are in Hampton Roads. The Olympia will be put out of commission for an extensive overhauling.

The Nashville has arrived at Macoris, the Blakely at St. Joseph's bay, the Potomac at Gibraltar and the Newport at Monte Christi.

COAL MINERS
STOKING TO
THEIR TEXTStand Pat for Increase in
Wage Scale.VOTE SOLIDLY AGAINST MOTION
TO CONTINUE PRESENT SCHEDULEJoint Conference at Indianapolis Ad-
journs to Meet Today With No
Sign of Settlement in Sight.

Indianapolis, Ind., Mar. 28.—The joint conference of the coal miners and operators of the central competitive district adjourned today until tomorrow at 2 o'clock, with no settlement of the wage differences reached and apparently with none in prospect. A motion to continue the present scale for two years, made by the operators, was defeated by the solid vote of the miners. An amendment to President Mitchell's motion to restore the scale of 1903, offered by P. L. Robbins, of the Pennsylvania operators, that it be made effective for two years, was accepted by Mr. Mitchell, subject to ratification by the National Miners' convention, which will meet tomorrow to consider the question.

This was the only action taken during the day.

The rest was argument, during the course of which great emphasis was placed on the part of the miners and both factions of the operators was shown. President Mitchell charged that many coal companies are owned by railroads and the profit on coal is not indicated by the books of the coal companies, as much of it is absorbed by the railroads. He announced that the miners would continue in the strike until they were paid more wages if the market justified, and stated positively that the miners would adhere to their demand for an increase at this time.

F. L. Robbins, of the Pennsylvania operators, who is not only in the mines of the Pittsburgh Coal company, but in his own mines in Pennsylvania, Ohio and Illinois, and urged the miners to sign the scale which he offered, even though the miners of the other operators should be idle. "No Riots or Bloodshed."

There were a number of suggestions and hints of an arbitration commission today. W. D. Kahn, an independent operator, made reference to a possible commission to be appointed by the president. President Mitchell said in one of his speeches:

"I want to ask the operators of the Pittsburgh district if they are in accord with the suggestion as to an investigation? I want to ask Mr. Winder and the operators of Ohio and West Virginia if they are in accord with the suggestion as to an investigation? I want to ask the operators of Indiana if they are in accord with the suggestion as to an investigation?
